ABOUT US

AFP is an award-winning furniture brand providing best in class furniture solutions for residences, corporate offices, and the hospitality sector in Nigeria. We are the largest furniture manufacturer in West Africa, As an integral part of Julius Berger's value chain, we are guided by leading standards in quality and innovation using imported and locally sourced materials in combination with the latest modern machinery and technology to achieve the best results.

Our portfolio includes: loose furniture, kitchen cabinetry, internal doors, wardrobes, wall panels, wooden floors. We also design bespoke: residential spaces, corporate spaces, hospitality and retail. As a brand, we are highly committed to ensuring consistent training for our interior architects, technicians and carpenters and welcome prospective interns from within Nigeria and around the world to further their training.

AFP commenced operation in 1991 and have excelled at collaborating with clients to understand their unique requirements and bringing them to life.

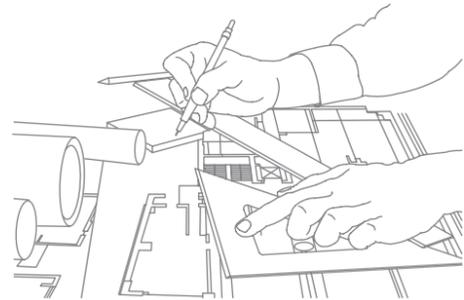

...with more than 32 years' experience, we have the confidence to constantly challenge and evolve what we do, to be at the forefront of design.

CONNECTIVITY

We understand that majority of the public do not have a full grasp of the technicalities involved in furniture manufacturing and their application in designing spaces, hence we employ the medium of virtual and augmented reality to make technical information more understandable for our prospective clients. Our portfolio is also accessible on our website

CLIENT SATISFACTION

Utilising the latest machinery and outstanding level of craftsmanship for the production of our furniture, we undoubtedly exceed the expectations of clients, creating comfortable and stylishly furnished spaces. Our products have been trademarked by their ability to stand the test of time.

TEAM

AFP currently has 429 staff who work closely together to achieve a common goal.

The company's team comprises dedicated and highly skilled designers, craftsmen, engineers, and sales professionals who are collectively passionate about delivering outstanding furniture solutions and superior experiences to our clients. In spite of the constant evolution of design, we challenge ourselves to be at the forefront. From new constructions to furniture upgrades, and installations.

AFP has been working with clients in different sectors across Nigeria to create spaces that connect, delight and invite.

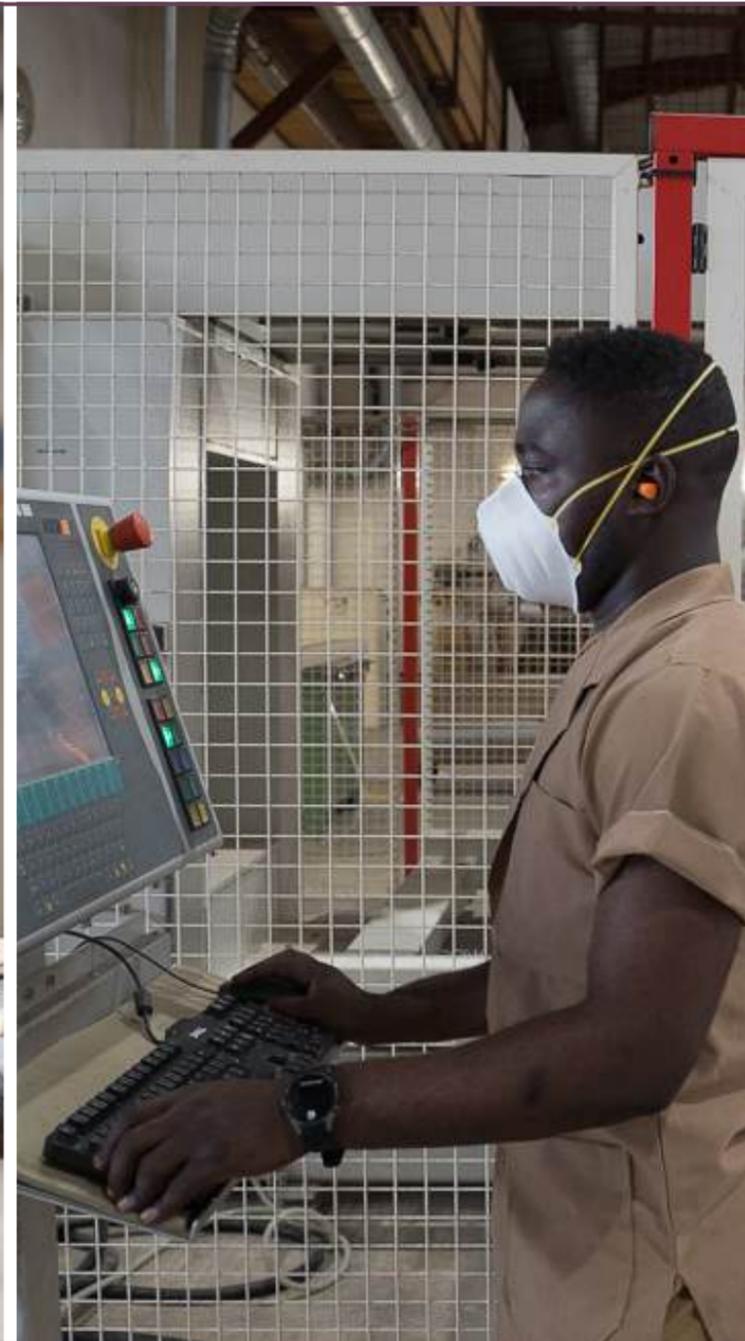

OFFICE

This is the centre of AFP's operations. The office comprises of highly experienced Architects, Interior Architects, Wood Technicians, Draughtsmen and Quantity Surveyors. The planning and production process commences here; where we employ the most efficient design software and ensure adequate training for our designers.

All the technicalities and detailing regarding the actualization of projects are conducted here.

FACTORY

Our factory houses heavy-duty computerized machines, tools and equipment with which we manufacture and assemble all products utilising a wide range of indigenous materials, supplemented with non-local resources when necessary. All furnishings are produced with international standards of health and safety while considering the immediate environment. Our skilled artisans bring the concepts of our designers to reality in the factory.

RESIDENTIAL

AFP brings to reality the individual values, aspirations and tastes of its clients. We use our furniture to create aesthetically pleasing homes; we also offer doors ranging from French doors to fire rated and bullet obstructive doors.

HOSPITALITY

As this is such a wide industry with an even wider clientele, we try to, through our designs uphold the hotels ideologies and themes while simultaneously ensuring that the design resonates with the public.

CORPORATE

As corporate settings can be quite demanding, we prioritise on designing offices that cater to the staff, creating work environments that aid in maximising productivity and providing ergonomic furniture to reduce prolonged-sitting related issues.

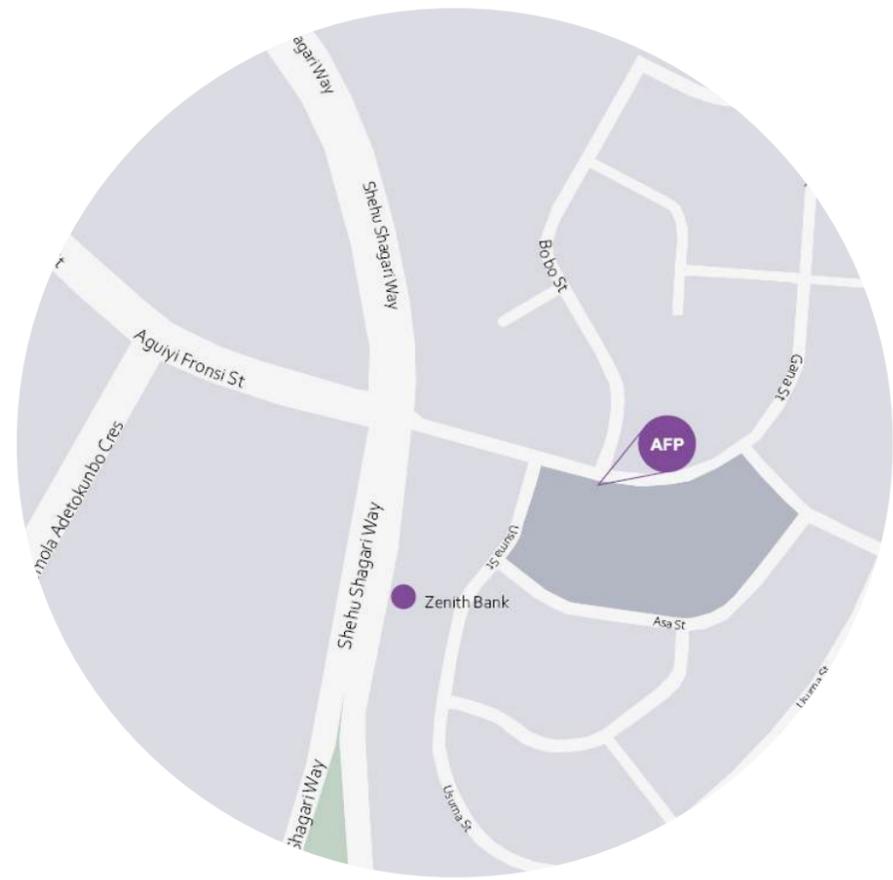

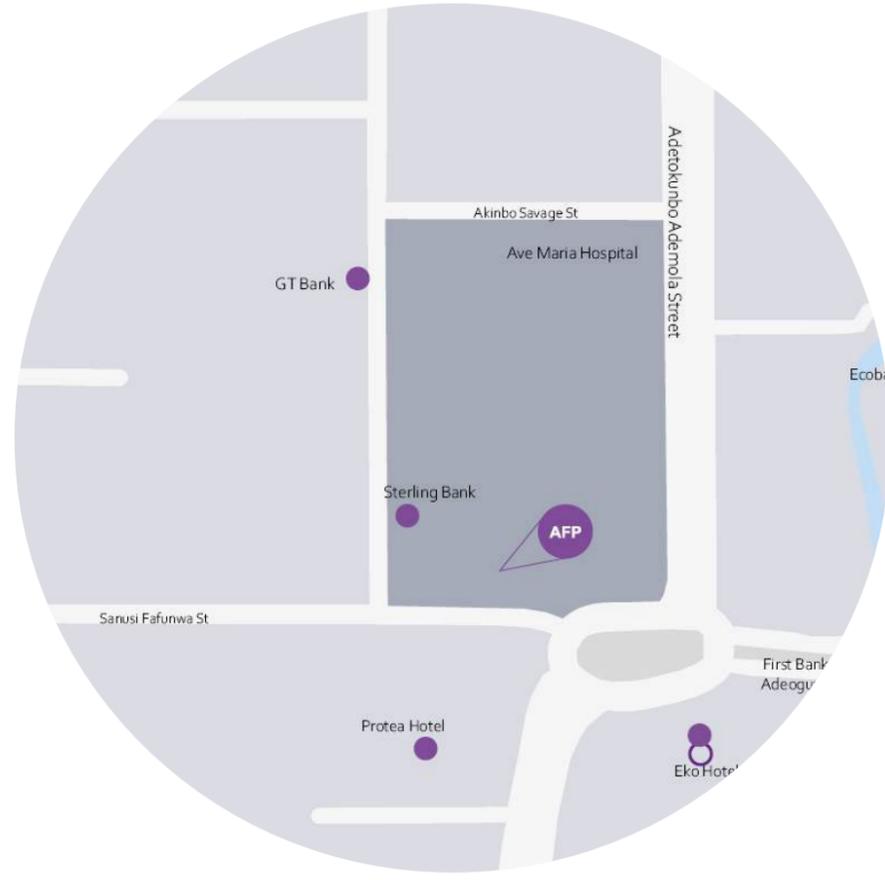

SHOWROOM

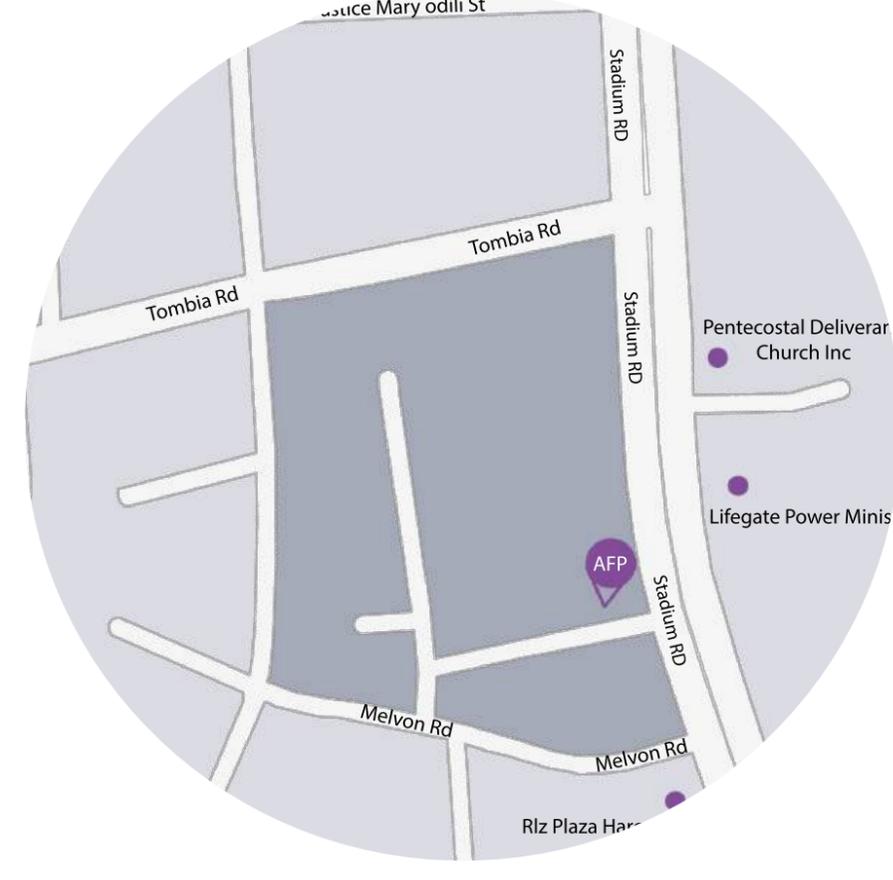

Our state-of-the-art showrooms are designed to create a customer experience with modern interiors and innovative home technology. Our virtual showroom also provides clients with real time experience using a variety of aesthetically pleasing architectural spaces.
