E [r.graf@bruchachina.com](mailto:r.graf@bruchachina.com)  
W [www.bruucha.com/en](http://www.bruucha.com/en)

BRUCHA offers panels for the construction of cold and freezer warehouses as well as large-scale industrial and agricultural buildings. The BRUCHA Panel construction system gives customers the highest degree of planning freedom and the widest choice of colour schemes, 15 insulation thicknesses and six different surface profiles, all offering optimal thermal insulation, precision, durability and architectural possibilities.

**FELDER GROUP - LEADING MANUFACTURERS OF MACHINERY FOR PROCESSING SOLID WOOD**

Contact Person: Mr. Lars Kloehn / Mr. Ifeanyi Ndubuisi  
 M +234 913 121 4559 / +234 803 264 4459  
 E [L.kloehn@woermann-nigeria.com](mailto:L.kloehn@woermann-nigeria.com) / [i.ndubuisi@woermann-nigeria.com](mailto:i.ndubuisi@woermann-nigeria.com)  
 W <https://www.woermann-nigeria.com>

The Felder Group is one of the world's leading mechanical engineering and technology companies in the field of wood and composite material processing. The Felder Group's range of products includes well over 180 machines - from combined standard woodworking machines to high-end 5-axis CNC machining centres, as well as smart software and fully automated robotics solutions. From bandsaws to combination machines, circular saws, planer-thicknessers, spindle moulders up to CNC machining centres or edgebanders with state-of-the-art storage system integration and robotic solutions.

**HERZ - LEADING EUROPEAN MANUFACTURER OF VALVES AND FITTINGS**

Contact Person: Mr. Zoran Bankovic  
 T +43 1 61 626 6312-0  
 E [zoran.bankovic@herz.eu](mailto:zoran.bankovic@herz.eu)  
 W [https://www.herz.eu/index\\_eng.html](https://www.herz.eu/index_eng.html)

HERZ Armaturen is one of the leading European manufacturers of valves, fittings, circuit regulating valves, dynamic control fittings and thermostatic valves for domestic installations for heating, air conditioning, sanitary and gas appliances. The company has over 120 years of experience in the fields of heating and control engineering and its products cover the entire market for the HVAC

industry. All HERZ products are manufactured in EU countries according to the European quality standards.

**KE KELIT - CUTTING EDGE TECHNOLOGY FOR WATER PIPES**

Contact Person: Mr. Christian Neuhold  
 M +234 811 294 2025  
 E [c.neuhold@kekelit.com](mailto:c.neuhold@kekelit.com)  
 W [https://www.kekelit.com/en\\_int](https://www.kekelit.com/en_int)

KE KELIT is a leading Austrian company which has been developing and manufacturing plastic and metal pipe systems for buildings. It offers a worldwide unique 50-year guarantee. KE Kelit provides a revolutionary pipe connection that is only plugged in and therefore easy and safe to install. KE KELIT systems for drinking water are suitable for all building types: for housing as well as for commercial and public buildings, such as hotels, nursing homes or sports facilities. Over 230 patents and registered designs are clear evidence of the product development skills.

### SCHIRTEC AG – ACTIVE LIGHTNING CONDUCTORS AND LIGHTING PROTECTION ACCESORIES

Contact Person: Mr. Samuel Ogagua  
T +234 802 321 0437  
E [oguguas@sconet-ng.com](mailto:oguguas@sconet-ng.com)  
W [www.sconet-ng.com](http://www.sconet-ng.com)

Schirtec AG produces active lightning conductors E.S.E. and Lightning Protection Accessories, developed with the newest available technology. Schirtec’s product line allows an efficient protection of all endangered and vulnerable objects (single houses, hospitals, schools, logistic centers, telecommunication towers, football fields, golf fields, etc.). Schirtec AG exports its products internationally to over 40 countries worldwide and is well represented in those countries. All Schirtec products are tested in various international accredited laboratories for its quality and efficiency. All Schirtec products conform with European Standards.

### SCHULLER EH'KLAR – EQUIPMENTS FOR PAINTERS AND HANDYMEN
